

During our final term in Reception we will be learning all about the world of minibeasts. We will find out about their habitats and use a range of resources to look closely at those that we can find in our own environments. We will also be spending lots of time preparing the children for the transition into Year 1.

### Reading Walls

Naksh (4), Bartholomew (5), Kyle (12),

### Stars of the Week

Well done to all of the children for completing another fantastic half term in Reception! You have all worked exceptionally hard and you should all feel very proud of your achievements.

Thursday 24<sup>th</sup> May – Break up for half term.

Friday 25<sup>th</sup> May – Inset day

Monday 3<sup>rd</sup> June – Back to school

### Home learning challenge

Can you choose a minibeast from the list below and create a poster including some facts or labels to share with the class? **Choose from: Bees, Butterflies, Spiders, Caterpillars Beetles, Snails or Ladybirds.**
